Dear

I am writing to invite you to attend the next session of the IDA European Issues Forum. On 5 November between 10 and 12, Dr. Heinrich Vogel, Director of the Federal Institute for East European and International Studies (Cologne, West Germany) will be speaking on the subject, "Soviet Policy Toward Western Europe under Gorbachev." The audience will consist of approximately 25 members of the Washington policy community. The meeting is strictly off-the-record and persons attend as individuals and not as representatives of their parent organizations.

Sincerely,

Robbin Laird
